# YOUTH FIT FOR 55 NEWSLETTER

Youth engagement and education for realizing the  
Green Deal on the "fit for 55" wave

VOLUME 4  
MARCH 2025

## ENGAGING YOUNG EUROPEANS IN THE GREEN TRANSITION

Approximately 20 young people from different horizons (students, volunteers, representatives from youth-serving organizations...) gathered in Bucharest, Romania between the 10th and 13th of March for a training session.

### The purpose?

Enhance understanding of the "fit for 55" initiative and the European Green Deal and develop skills and knowledge to contribute effectively to environmental sustainability efforts.

### Dive deeper into the activities and workshops conducted during this training week in Bucharest :

Organized by Asociația IDEI and partners, the training offered a dynamic exploration of ecological transition challenges within the context of Romanian culture and heritage.

#### Highlights:

- Workshops and discussions on European Green Deal climate goals, including creating fictive implementation projects and foresight workshops.
- Meetings with inspiring figures dedicated to a sustainable future.
- Intercultural exchanges with European youth.
- A visit to the fascinating Moara de Hârtie (Paper Mill) in Comana, with plate painting and paper-making workshops.
- A guided tour of Bucharest focusing on architecture, sustainability, and history.

This week provided a valuable opportunity to learn, share, and reflect on our roles in the ecological transition !

### Transnational Partner Meeting in Romania

Back to back to the mutual learning event, the final Transnational Partner Meeting took place, bringing together representatives from all project partners across France, Italy, Ireland, Denmark and Romania.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
